

## PPG Meeting @ Brockwell Park

26 June 2018

Present: SM, DS, HBH DM, DR

### **PPG event:**

Sadly we only had 3 PPG members attend the bowling event at the park.

It was a very hot day so possibly most decided to stay at home.

A big thank you to HBH for holding the event again; baking cakes and serving tea was much appreciated.

### **Introductions:**

We had a new member attend, DM from the Pavilion PPG.

With a smaller group in attendance it was a good opportunity to discuss the PPG's aims and objectives and ways to make positive contributions to the practice.

Steve discussed the following:

- Pavilion Contract Arrangements APMS, to await outcome
- Role of PPG strategic involvement in shaping practice policies and secondly developing value added event e.g. coffee mornings and bowling
- New GDPR that came into force from May 2018 – data handling, mobile marketing rules and compliance.
- Self –Care – over the counter medicines
- Future marketing events

PPG member HBH suggested holding a Memory Club at Hetherington as she was a former Speech & Language Therapist within the NHS.

PPG member DM is keen to be involved in promotional work at Pavilion and increase membership & diversity of the group.

Another bowling event in early Sept - date to be finalised

Next Hetherington PPG in late September - date to be confirmed.

Next Pavilion PPG 11<sup>th</sup> July 2018
